I feel unique  
Not yet complete  
And your steaming ice  
Follow me poor me  
Poor you poor us  
A fuss a fight  
So I sat outside outside

I am not your savior  
I am not your savior  
Baby Girl  
I am not your savior  
I am not your savior

What to do for when  
We meet  
I'm incomplete  
And your freezing eyes  
Wow me poor me  
Poor you poor us  
What's wrong with a little task  
I am just a boy  
I am so lonely

I am not your savior  
I am not your savior  
Baby Girl  
I am not your savior  
I am not your savior

I am not your savior  
I am not your savior  
Baby Girl  
I am not your savior  
I am not your savior

I am not your savior  
Oh no  
Honey, I am not your savior  
Oh No  
I am not your savior  
Baby Girl

I am not your savior

Hurry x6

I am not your savior

Oh No

I am not your savior

Baby Girl

Hurry

I am not your savior

Oh no

I am not your savior

Baby Girl

I am not your savior

Hurry x6

I am not your savior
