Pour up, drank, headshot, drank
Sit down, drank, stand up, drank
Pass out, drank, wake up, drank
Faded, drank, faded, drank

I wanna stay, I wanna go, round again
Already been here too many times before
And I wanna play, a piece of me stay
Power to blame
To wanna bend here it defies the law
And I wanna play, it's spherical gold
Now again, already been here too many times before
And I'm gonna pay, a piece of me stay
Pounds of shake
Gotta hold a man here, it decries the fame

When I lay down you can bend
I have found what I wanna be
And all around where I trip
Are all the sounds that I found
For the luck on me
It's so profound and you can beg
That I have felt what I wanna feel
I'm all alone, in every breath
All around and my back right in front of me

Pour up, drank, headshot, drank
Sit down, drank, stand up, drank
Pass out, drank, wake up, drank
Faded, drank, faded, drank

It's back for the ways, back for the place
Pause the thing,
Don't wanna waste stays
Thay at us I'm bored
And I've got a face that I can show
Not again
You're already seen it more too many times for sure
Now I got a space, where I can lay, down again
Already laid here too many times on love
And I've got a place, full of the race

Power to blame
To wanna bend here it defies the law

When I lay down you can bend
I have found what I wanna be
And all around where I trip
Are all the sounds that I found
For the luck on me
It's so profound and you can beg
That I have felt what I wanna feel
I'm all alone, in every breath
All around and my back right in front of me

Pour up, drank, headshot, drank
Sit down, drank, stand up, drank
Pass out, drank, wake up, drank
Faded, drank, faded, drank

Too much, too many
Too little time
No search, no back pain ease
No cry

Way you baby sitting only 2-3 shots
I'ma show you how to turn it on notch
When she get a pool full of liquor then you dive in
a pool full of liquor then you dive in
I weave a few bottles then I watch'em all flack
All the boys wanna play baywatch
I got a pool full of liquor and they dive in
pool full of liquor and I dive in

Pour up, drank, headshot, drank
Sit down, drank, stand up, drank
Pass out, drank, wake up, drank
Faded, drank, faded, drank.
