[blu]

You say you love, say you love me
But you're never there for me, yeah, mmm...hmm...
You'll be cryin?, slowly dyin?
When I decide to leave, oh, oh

All we do is make up
Then break up
Why don't we wake up
And see

When love hurts
It won't work
Maybe we need some time alone
We need to let it breathe

Breathe
Breathe
Breathe

[sean]

So what's that supposed to be about baby

Gall free up ya vibe and stop actin crazy
Reminisce 'pon all the good times daily
Why you try pull that got me actin shady

[blu]

You're only lonely when your homey
Ain't got a ride or no loot, yeah, uh-huh
Then comes the drama
Some other girl is claimin' she's goin' out with you,

Hmm...hmm...

All we do is make up
Then break up
Why don't we wake up
And see

When love hurts
It won't work
Maybe we need some time alone
We need to let it breathe

Breathe
Breathe
Breathe
Breathe (Uh...huh...)
Breathe

[sean]

So what's that supposed to be about baby
Ya'll free up ya mind and stop actin crazy
Shady shady shady shady

Not again
My girl for the fourth time
Let me make it very clear to you
Your very dear to me
And honor of me
Share to you
Me not unfair to you
Who would u want
For real you make me know and
I will be there for you
But me know im not a fear to you
Stand up like a man and not be there 'cause i care for
you
Long time tellin you
No other girl can compare to you
And if i live without

Im gonna share my life and there for you
Say you want to breathe
Im still not im exhalin'
Say you want to leave 'cause this relationship failin'
Aint nobody say that it would be smooth sailin'
Girl i wana know why your bailin'

So what's that supposed to be about baby
Ya'll free up ya mind and stop actin crazy
Reminisce about all the good times daily
Why you try pull that got me actin shady shady baby
baby

[blu]

Maybe we need some time alone
So we can just breathe
Let it breathe
Breathe
Breathe
Let it breathe
Breathe
Breathe
Breathe
Breathe
Yeah yeah yeah yeah let it breathe yeah
Oh oh time to breathe yall...
