Tired of weaving dreams too loose for me to wear  
Tired of watching clouds repeat their dance on air  
Tired of getting tired of doing what's required  
Is life a mere routine in the greater scheme of things

Through with taking roads someone else designed  
Through with chasing stars that soon forget to shine  
Through with going through one more day - what's new  
Does my life still mean a thing in the greater scheme of things

#### REFRAIN 1:

I think I'll follow the voice that calls within  
Dance to the silent song it sings  
I hope to find my place  
So my life can fall in place  
I know in time I'll find my place  
In the greater scheme of things

Each must go his way, but how can I decide  
Which path I should take, who will be my guide  
I need some kind of star to lead me somewhere far  
To find a higher dream in the greater scheme of things

The road before me bends, I don't know what I'll find  
Will I meet a friend or ghosts I left behind  
Should I even be surprised that You're with me in  
disguise  
For it's Your hand I have seen in the greater scheme of things (REFRAIN 1)

#### BRIDGE:

For Yours is the voice in my deepest dreams  
You are the heart, the very heart  
Of the greater scheme of things (REFRAIN 1)

#### REFRAIN 2:

Why don't we follow the voice that calls within  
Dance to the silent song it sings  
One day we'll find our place  
For all things fall in place

For all things have a place  
In the greater scheme of things
