This distraction
Turns me sideways
Out of chin stock of wawing
Squeeze between them
New face emerging
Pushing inward
Take my hand

CHORUS

Cry boy cry - CRY
The tears are a touch inside - oho
Cry boy cry - CRY
Feels the hunt you wanna lonely night

Inside and away
Cry boy cry
Inside and away

New surroundings

They will freshen
Get together up to one
Flix with two off
Close the vacuun
What you try to suck you in

CHORUS

Cry boy cry - CRY
I'll roll in the twilight zone - oho
Cry boy cry - CRY
For the heart gets a new moustache

Inside and away
Cry boy cry
Inside and away
Cry boy cry

Boy cry
