Lullaby of birdland, that's what  
I always hear when you sigh  
Never in my woodland  
Could there be words to reveal  
In a phrase how i feel

Have you ever heard two turtle doves  
Bill and coo when they love  
That's the kind of magic  
Music we make with our lips  
When we kiss

And there's a weepy ol' willow  
He really knows how to cry  
That's how i cry in my pillow  
If you should tell me  
Farewell and goodbye

Lullaby of Birdland whisper low  
kiss me sweet & we'll go  
Fliyin' high in Birdland  
High in the sky up above  
All because we're in love
