When I get older, I will be stronger  
They'll call me freedom just like a wavin' flag

Born from a throne, older than Rome  
But violent prone, poor people zone  
But it's my home, all I have known  
Where I got grown but now it's gone

Out of the darkness, in came the carnage  
Threatening my very survival  
Fractured my streets and broke all my dreams  
Feels like defeat to wretched retreat

So we strugglin', fighting to eat  
And we wonderin' if we'll be free  
We cannot wait for some faithful day  
It's too far away so right I'll say

When I get older, I will be stronger  
They'll call me freedom just like a waving flag  
And then it goes back and then it goes back  
And then it goes back, aho, aho, aho

So many wars, settling scores  
All that we've been through and now there is more  
I hear them say love is the way  
Love is the answer, that's what they say

But we're not just dreamers of broken down grievers  
Our hand will reach us and we will not see ya  
This can't control us, no it can't hold us down  
We gonna pick it up even though we still struggling

Au nom de la survie  
(In the name of survival)  
And we wondering  
Battant pour nos vie  
(Fighting for our lives)

We patiently wait for some other day  
That's too far away so right now we say

When I get older, I will be stronger  
They'll call me freedom just like a waving flag  
And then it goes back and then it goes back  
And then it goes back, aho, aho, aho

Uh, well, alright, how come when the media stops  
covering  
And there's a little help from the government  
We forget about the people still struggling  
And assume that it's really all love again? Nah

See, we don't have to wait for things to break apart  
If you weren't involved before it's never too late to start  
You probably think that it's too far to even have to care  
Well, take a look at where you live, what if it happened  
there?  
You have to know the urge to make a change lies within  
And we can be the reason that we see the flag rise  
again

When I get older, I will be stronger  
They'll call me freedom just like a wavin' flag  
And then it goes back and then it goes back  
Then it goes back

When I get older, I will be stronger  
They'll call me freedom just like a waving flag  
And then it goes back and then it goes back  
And then it goes back, aho, aho, aho

When I get older, when I get older  
I will be stronger just like a waving flag
