I don't wanna stop living out my movie  
I just wanna rock in this perfect groovin'  
I don't wanna stop living on my trophies  
I just wanna rock nodding your head up and down

It's so fun, when you're moving like that my babe  
It's so fun, if u need it like you mean it just crack it up  
and eat it up

Hey baby just come around 'cause I don't wanna stop  
just wanna rock, I'd do you 'till the sun is up  
Hey baby just come around 'cause I don't wanna stop  
just wanna rock, I'd do you 'till the sun is up

Gotta split it up, I just wanna taste it  
If you wanna rock don't you go and waste it  
If you wanna stop but the party's goin'  
Someone's gonna come'n'make you feel like super fly

It's so fun, when you're moving like that my babe  
It's so fun, if u need it like you mean it just crack it up  
and eat it up

Hey baby just come around 'cause I don't wanna stop  
just wanna rock, I'd do you 'till the sun is up  
Hey baby just come around 'cause I don't wanna stop  
just wanna rock, I'd do you 'till the sun is up

Sometimes it's so hard to get some of your lovin'  
Sometimes it's so hard to sleep if we're together  
Sometimes it's so hard to get some of your lovin'  
Sometimes it's so hard to sleep if we're together

I don't wanna stop.....movin' like this my babe

Break it up!

Hey baby just come around 'cause I don't wanna stop  
just wanna rock, I'd do you 'till the sun is up  
Hey baby just come around 'cause I don't wanna stop  
just wanna rock, I'd do you 'till the sun is up

Hey baby just come around 'cause I don't wanna stop  
just wanna rock, I'd do you 'till the sun is up  
Hey baby just come around 'cause I don't wanna stop  
just wanna rock, I'd do you 'till the sun is up
