Trying to figure out now
The virtue of the madness in me
A circus and a theatre
A palace for the sacred and the free

Well I just wanna fly
Oh, I don't wanna fall
We can make a world of these four walls
Take me to the edge

'Cause I just wanna be

We dream to build our cities
Trying to find a place to call our home
Did you blink and then you missed me?
Turn around, set fire to my throne

Well I just wanna fly
Oh, I don't wanna fall
We can make a world of these four walls
So take me to the edge

'Cause I just wanna be
Yeah I just wanna be
Oh I just wanna be
Yeah I just wanna be

An ocean in a drop of water
You found another way
Remember what the desert taught you
Breaking out of the haze
Life crashing in waves
Worth living for the precious time

'Cause I just wanna be
Oh I just wanna be
Oh I just wanna be
Oh I just wanna be

'Cause I just wanna be
Oh I just wanna be

Oh I just wanna be
Oh I just wanna be
