It's wild in the land of low
Cuz people livin' hand to toe
But it's nothing I don't handle though
I'm bout to drop it like a hammer though
You kinda contagious drivin' down I-64
Dead in the water but you dead in the water
I've been around before no we're not gonna take this
like this!!!!

You stared at your watch it read
"No regret and no apology
A lil somethin' that my father said
Kiss of death from a Copperhead
You kinda contagious drivin' down I-64
Dead in the water but you dead in the water
I've been around before no we're not gonna take this
like this!!!!

YEAH!!! YEAH!!! YEAH!!! YEAH!!!
And I jus hate it yeah yeah
I get frustrated yeah yeah

It's complicated yeah yeah
And I can't take it anymore no I can't take anymore no
Dead in the water, dead in the water
Dead in the water I see NO SOLUTION!!!

Sickened by the thought of me
Cuz this shit ain't what it ought to be
With the same curiosity
Of my fame a ferocity
You kinda contagious drivin' down I-64
Dead in the water but you dead in the water
I've been around before no we're not gonna take this
like this!!!!
YEAH!!! YEAH!!! YEAH!!! YEAH!!!

And I jus hate it yeah yeah
I get frustrated yeah yeah
It's complicated yeah yeah
And I can't take it anymore no I can't take anymore no
Dead in the water, dead in the water

Dead in the water I see NO SOLUTION!!!
