Oh, yeah!  
Yeah.  
Uh!

So you're the girl. (I heard the rumor.)  
You got the boys wrapped around your finger.  
Such a sweet heart-breaker!  
If you're the game, I wanna be a player.  
Oh, you can do whatever you want. It's all right with me-  
e-e-e-e!

Why don't you break my heart? Make it hurt so bad!  
Come on and give it your best, nothing less, I insist. I  
want it just like that.  
Why don't you break my heart? It sounds good to me-e-  
e-e. Do it over again, again, again! You're just what I  
need.  
Why don't you break my heart?

Yeah.  
Break it!

Stare me down - intimidate me.  
Baby please, you'll never break me.  
Bring it on, 'cuz I can take it!

You're so cool, the way you play it!  
Oh, you can do whatever you like. It's all right with me-  
e-e-e-e!

Why don't you break my heart? Make it hurt so bad! (So  
bad!) Come on and give it your best, nothing less, I  
insist. I want it just like that. (Just like that!)  
Why don't you break my heart? It sounds good to me-e-  
e-e. Do it over again, again, again! You're just what I  
need.  
Why don't you break my heart? Yeah.

Break it! Break it!  
Yeah!  
Yeah-eah-eah-eah-eah-eah-eah-eah-eah!

Break it!  
Come on, break my heart.  
Break it!

Why don't you break my heart? (Yeah!) Make it hurt so bad! (Hurt so bad!) Come on and give it your best, nothing less, I insist. I want it just like that. (Just like that!)

Why don't you break my heart? (Heart, yeah!) It sounds good to me-e-e-e. Do it over again, again, again!
