Waiting around and I beg to go home
Foolin' around, let's go now
Pennies drop, seventh sense, so don't complain to me
It's eight-o'clock, don't rely on telling time to stop
210
Lovely, lovely lady
Lovely, lovely lady
Lovely, lovely lady
Lovely, lovely lady
210

Waiting around and I beg to go home
Falling down, let's go now
Eighty-five, second born, so completely insecure
Waiting in line, don't rely on telling me to stop
210
Lovely, lovely lady
Lovely, lovely lady
Lovely, lovely lady
Lovely, lovely lady
210
Ooh, Ooh, Ooh, Ooh...
