I got in, you got out
I walked in, you walked out

As usual I'm stuck in the middle

I'm closer to closure
Admitting that it's over

As usual I'm stuck in the middle

And now you know that you control everything
As usual I'm stuck in the middle
And now I'm drowning in myself again
Yes, I'm drowning in myself again

Whiter night, I am dead
Whiter night, I am dead

Whiter night, I am dead
Whiter night, I am dead

Who knows how I got out
Who knows how I got out
As usual I'm stuck in the middle

You show us, just shut up
I told you that you would mess up
As usual I'm stuck in the middle
Now you know, that I control everything now.

As usual I'm stuck in the middle
And I am

Sorry if they're a bit off.
I tried as best as I could.
