Verse I

I don't know
If I'll ever find my little lady
Been a long time
Days turn to years it seems I'm going crazy
One by one
Pieces of my heart break into a million
Won he's won
Stole my love and now she's gone forever

Chorus I

Every now and then when all is wrong
Feel the end when pain is gone
Sing with me this sorrow song
Sing with me
Sing with

Verse II

Close my eyes
Sitting in a field of wildflowers
Only you and I
I could be lost in this moment for hours
Won't you stay?

Reaching for her hand I beg and plead
A tear rolls down her face
My heart left my body as she walked away
She walked away

Chorus II

Emotionless I fade away
All things good just turn to grey
Sing with me this sorrow song
Sing with me
Sing with

Verse III

Good times come
I've been waiting yet nothing ever seems to change
So what have you done?
You hurt me in unspeakable ways
I don't know

If I'll ever find my little lady
It's been a long time
Days and years it seems I'm going crazy
I'm going crazy

(Repeat Chorus I and II)
