Chorus:

Smooches baby, smooches baby!
I need a smooches baby, smooches baby!
I need a smooches baby!
Smooches baby, smooches baby!

At the beginning I started,
At the beginning you were looking at my derriere,
derriere,
Say what? say no stripping, yeah, almost tripping,
tripping,
When I let you, let you take it, there, you take it
derriere!
Say what? I took your number, and I gave you my
number,
Say what? I was waiting for the phone to ring, the
phone to ring...
Say what? you sound so sexy, baby you sound so sexy,
So when can I get what I need, I need, I need, I need?
