Even though I'm sorry
I miss you tonight
Even though I worry
I pretend that's alright

I begged you to come back
You said, you would not
I burned all the pictures
Of you that I got

You and I said goodbye
Still I will love you
Till the day that I die

When I think about love
I think about you
And I can't do without love
It's sad but it's true

And I've been hearing rumors
And still I don't know
Rumors of another
Please say, it ain't so

You and I said goodbye
Still I will love you
Till the day that I die

You and I are all through now
Still I will love you
Till the day that I die

You and I said goodbye
Still I will love you
Till the day that I die

You and I are all through now
Still I will love you
Till the day that I die

Till I die
Till I die

Till I die
