I'm nobody without you,
Just a shell,
I'm like a flower with no smell,
It's a living hell.
Yeah, I'm nobody without you,
Just a frame,
I'm like a fire with no flame,
I'm living in shame.
'Cause you're my sunshine
To keep me warm,
You're my shelter and my hideout
In rainy days and storm.
You're my laugh-line when I am blue,
You put balm into my wounds,
I'm nobody without you
Yeah, I'm nobody without you
Yeah, I'm nobody without you,
Just a freak,
I'm like a bucket with a leak.
Oh boy, I am weak.
Yeah, I'm nobody without you,
Just a fool,
I'm like a jointer with no tool
Oh, life isn't cool
'Cause you're my sunshine
To keep me warm,
You're my shelter and my hideout
In rainy days and storm.
You're my laugh-line, make me feel new.
You give the only love I know,
I'm nobody without you.
Yes, I'm nobody without you
Yeah, I'm nobody without you
Just nobody without you.
Without your loving,
Without you I am weak.
Without your hugging I'm nothing but a freak.
Without you, baby,
Without you I cannot sing.
Without you, darling, I'm like a bird who lost it's wings,
I'm not a thing.
'Cause you're my sunshine

To keep me warm,
You're my shelter and my hideout
In rainy days and storm.
You're my laugh-line, a dream come true,
You're the only truth I know,
I'm nobody without you.
Yes, I'm nobody without you
Yeah, I'm nobody without you
Just nobody without you
