While we reach our destination
Witnessing the occupation
We will murder our frustration
Watch you watch evacuation

We're not fighting for the nation
We are fighting for the air
But where is the frontier
Where is the frontier

Bring everything into focus
Bring it back to its knees
One last fight before we get
Serious, serious, serious, serious, serious, serious
Serious, serious, serious, serious, serious

Mother fuckers, I'll never guess
Why you want to eat my flesh
Now that everything
Is out of control
So let readers control the map

While we are taking a nap

We're not fighting for the nation
We are fighting for the air
But where is the frontier
But where is the frontier
But where is the frontier

Bring everything into focus
Bring it back to its knees
One last fight before we get
Serious, serious

Bring it back
Bring it back
Bring it back
Bring it back
Bring it, bring it
Bring it, bring it

Into focus
To its knees
