I'll make it new for you everyday
In the puzzle trees
You keep searching it for a bird
A bird

Once I asked for your biggest wish
Little hands like serpentine
Hoping I could hold you back
Million things are turning green
Behind the world is getting dark

I wish the cat could talk
I wish the cat could talk

Maybe you're giving me my last chance
Boy it couldn't be someone else
Boy it couldn't be in other way
Baby this is our greatest challenge
Baby this is our greatest challenge

Enemies take different forms
Enemies take different forms
The best way to avoid them
The best way to avoid them
Is to keep your love around

I wish the cat could talk
I wish the cat could talk

Maybe you're giving me my last chance
Boy it couldn't be someone else
Boy it couldn't be in other way
Baby this is our greatest challenge
Baby this is our greatest challenge

Boy it couldn't be someone else
Boy it couldn't be in other way,

Boy it couldn't be someone else
Boy it couldn't be in other way,

Boy it couldn't be
Boy it couldn't be someone else
Boy it couldn't be
Boy it couldn't be in other way

It couldn't be you, it couldn't be me
It couldn't be you, it couldn't be me
It couldn't be you, it couldn't be me
It couldn't be me
