"Illness"

To energize my understanding
And surviving in this future
With a clinical clarity today I see

Anxiety and terminal illness
Me in pieces, pieces of me
With a clinical clarity today I see

Dilaudid, Adderal, Neurotin, Valium
Xanax, Klontin, Lezapro, Zipreza
Vicodin, in, in
In these psycho fingertips
For, for

For a suicidal tendency

A real jumper
To energize your understanding
And surviving in this future

Anxiety and illness
You're in pieces, pieces of you
Anxiety and illness
You're in pieces, pieces of you

In these psycho fingertips
With a clinical clarity
Today is what you don't see

In these psycho fingertips
With a clinical clarity
Today is what you don't see...
