Listening the prisoners  
i can see the mirror of life  
all your crimes are also mine  
the real jail is inside  
invisible chains  
break them for you  
break them for us  
break them for me  
listening the prisoners  
i feel the chaptain of my soul  
iÂ´m the master of my fate  
the real jail is inside  
invisivle chains  
break them for you  
break them for us  
break them for me  
break them for free  
weÂ´re living for tomorrow  
weÂ´re living for son long

weÂ´re waiting for somebody  
someone who brings salvation  
like a woman who waits forever  
with a small baby in her arms  
itÂ´s the freedom you so desire behind the wire  
listening the prisoners  
i feel like talking to myself  
the history of a humankind  
is the history of a man  
invisible chains  
break them for you  
break them for us  
break them for me  
break them for free  
weÂ´re living for tomorrow  
weÂ´re living for son long  
weÂ´re waiting for somebody  
someone who brings salvation  
like a woman who waits forever
