Give me night, yeah  
Way high up on the hillside  
Awake, wild, as sure as the sun  
Full of the moon, ooh

The beauty that's born every time  
Give me the river on, ooh  
Keepin' on

Doubts got it out for me now  
Like I sold him out  
Without the cracks there's no light  
Give me the river on, ooh  
Keepin' on

Just in time  
They're all turning on ya' sideways  
Tearin' up on the inside  
Strung out on your heart

Give me the stars  
Is that all you've got  
Without the song there is no light  
Give me the river on, ooh  
Keepin' on

Doubts got it out for me now  
Like I sold him out  
Without the cracks there's no light  
Give me the river on, ooh  
Keepin' on

Let's take this  
Let's take this  
Outside, outside
