Way more smart in my last tape
I get way more harder when the ass shape
When my shit in that I'm getting that
Hope and last
Real young boy that's make me cash
I'm realize I can make you stack
For rainy day when make come and back
We young niggas we fresh swag
Get the whole world in the back
Losin the grap I can speak no glass
All seat in the new [?]
'Cause I grind harder in the jeans
I never ever side with the weather really had
[?] in the streets and we got [?]
To bang on my niggas that's why we can [?]
Here pressure for your [?]
Girl to me [?] I can hear your passion
You're growing up then no no better
Then I'm blowing up my shoulder got better
You create and shine
You know what's next up
Please stop talking
Play new [?] pop boy that 'cause the rain stop [?]
Used to top my hard and be your artist
Never was a raper than wanna be trapped in
At school no work supply [?]
[?] what a kid roll rap sin
That's where I got sleepin' in class
Really goes talking believe so fast

At the whole [?] I just stay in my room
Circle my zone, answer my phone
Say I'm a catch my flight then I'm a [?]

[Hook:]
Please don't let me go
I just wanna know
Told you not to leave and I promise we will go
Life is like a garden don't end when is started
Money when I'm feeling when I wake up in the morning
Got a little [?]

[?] free can tell you green when is bout to [?]
She know a young nigga stunt
Only dub nigga run never [?] money here run for you
money
'Cause is my gray custom your grape
Four number [?] cope anything
Join winds in the drift light brings
She go to school and shows that wify young
[?] is young boy I stand again you fall in love
You like bring you go to school answers
That's wify [?] it is young boy
I said then you fall in love
You gave me [?] tryin make me a man
But I'm all in the end
Love with the game I'm interest with the game
[?] saw your name
I just wanna let you know
Why would you get into
Fuck with these streets and when is crapped with the
[?]
Lay in my heart [?] then you got a [?] if you love
[?] with me
I'm on way to start never was about to [?]
And my cousin gonna [?] and I got better
New whip I got [?] and I just ignore my [?]
