Get that money  
Get that money  
Get that money  
Get that money  
Oh man  
Come back to the city everything popping  
That girl wet for me same hoes watching  
Everything is fine nothing will stop me  
.. made more money .. take from me  
Now I tell myself that I take that back  
I take that stash I say that stash  
Drop that soul I make that stack  
Still won't hear what life is gone  
Young TV with a capital  
You won't get this bitch rap flow  
I read this for my niggers how to get the dope  
A routine I can shine the jail what are you trying to sell  
Get mine and day only time will tell I got clientele only  
mine to sell  
Pack on like .. mc hick one track got to sit on my lap  
Tell me where the cash at .. tell me you are out of me  
I am a hot .. know the apology .. we got money â€¦  
Get that money  
Get that money  
Get that money  
Get that money  
Oh man oh man  
When I was young it was easy and fluency  
When I got older I realized I was stupid got a new .. that  
is how you keep movie  
That is how I found out I keep do it .. think of any rapper  
my shit moving  
Had to live didn't come back to a .. best part was on a  
world tour  
Can't sacrifice .. you know me got from all the crimes  
Niggers laugh when I .. love and intimidate .. be free  
Get that money  
Get that money  
Get that money  
Get that money
