Is that young nigga, that
Always spit them life rhymes
Always slept with the right dreams
I evolve in the night time
Made you give me them pipe dreams
.. don't you think that I dream
..I feel fine, only fuck with bright queens!
I didn't made up my mind if you focus on right things
Then realize that it would take time
You will have a great time, everything go intertwine
That's what they told me mixed with how they show me
Plus I already know it, let's get this money!
oh, oh, oh, oh

Chorus: (x2)
Yeah, I got all the shit in motion
I got so much shit to do
I'm just grindin gettin focused,
man I put that on my crew!
I've been rushing girls often baby,
I've got time for you
I've got thirty thousand on me,
might run to the whole crew.

The concentration this shit is basic
And niggers hating is the same reason we ain't fading!
Could have lift the nation
I know girls, that's liberation, can't... be patient and she
need her friend approval just for her to mess with...
He a rapid girl, that nigger crazy
But you contradict..down a nigger kicking
Talking about this ..I came in and...
..man, that's some great arrangements.
I wouldn't call me famous
Just a kid that's gonna change shit
When I walk in this world, I thought I ought to make it!
..customer service, never.. made it
Please don't worry, you know I got some plans
when that school bell ring my next.. start up
..when them text, got them brought up
Girls complex, I don't even judge up

Tell me who is next, when the best grind is... us
Have you ever felt that you was worth it?
Oh, oh, oh, oh yeah!

Chorus: (x2)

Yeah, I got all the shit in motion
I got so much shit to do
I'm just trying to get in focused,
man I put that on my crew!
I've been rushing girls often baby,
I've got time for you
I've got thirty thousand on me,
might run to the whole crew.

The lifestyle of the young and wild
I don't cross ... in my life,
you're trying to tell me something now!
But I'm rocking, no stopping, my bench...
My ex girl never got me, my dream car, Bugatti
But I settle a Ferrari, my camera is a paparazzi
My checks read vengeance, my dad read a ...
The way I love her like ..
Cause it's one thing, I really think..stay with me
..did she make me a young believer
Cause day is beautiful, day respect us...
I told my momma, I'mma take her where palm trees at
And buy a house with dish washes and ...
..no time to do chores, three months on my...
Stacking dollars for sure... to move forward.
I think that that's what life's about
Trying to figure it out
Find a new ...and hold that ...
