Chorus

Ridin' roun town, more chains, more stylo
new girl with me, but I keep in on the D-Low
All these things going down
What you think she with me for
Look like she from Rio
Sweeter than Tampico

Young on my fly shit
Freshing on a ,
Grew up nice
so when i sit back and write
my life and every single thing
i think about that night
mom was on the dark
had to reach
switch on that light
digging deeper
try to figure what's right
she will be .. like nice
but i am jsut trying , with life

chorus

Ridin' roun town, more chains, more stylo
new girl with me, but I keep in on the D-Low
All these things going down
What you think she with me for
Look like she from Rio
Sweeter than Tampico

Cook it up for the buks what you are trying to be for
Model for the kids man i swear i try to keep my sniks on
