... and my names stunned  
It's all gonna change  
And my name coming so fitting,  
Young niggers with more visions  
I did it all, it's no rush  
I like chicks and low chucks,  
They like to dance...  
She loves school and love...  
Never met a girl that I could trust  
She set my mind on my main chick  
They'll ride to die, see it eye for eye  
Even if a nigger was famous  
I grew up, did some wild shit  
Thank god my father could tame me!  
Or probably could have been a gang's...  
But none of you niggers gonna change me  
I'm the same g...  
Not even the influence by my friends,  
The same ones that...  
The same ones trying to... the bands.  
Three months that's on tour  
With... and his white fans  
Pull it off, and then groupie whores  
They're chasing up, trying to...  
My flow carried on, but...  
I'm in my zone  
Trying to think, too young drink  
But if you're gone...  
Hold me set, you gotta hold the line  
I swag you out, I'm being official,  
Underground ain't polka dancers  
Past full of broken dreams,  
I finally found some shit official,  
Momma said she's proud of me  
Can't wait to give her everything she's wishing  
Ride it slow, ride it slow and if I don't I could probably  
crash.  
At 13 I used to rap my dreams  
At 18 got a pocket of cash,  
Taking the world, taking the world,  
I can't wait no more, I'm taking the world!  
Praying to god, ain't keeping it...

I'm in, I'm hoping it works like  
Hope that it works,  
I said I hope that it works,  
I'm praying to god,  
Ain't keep it..  
Amin, I'm hoping it works
