

## Caveman

### "December 28th"

Visit "[December 28th](#)" on MotoLyrics.com

This won't go away,  
I know it's true, our love is here to stay  
This won't go away  
I know it's true, our love is here to stay

Oh it seems so goodie, but I really want to know  
I think it's fine now  
Oh it seems so silly, but I really want to know  
I think it's fine now

Uuuu-hu, uuuu-hu, uuuu-hu, oh ,oh  
Uuuu-hu, uuuu-hu, uuuu-hu, oh ,oh

This won't go away,  
I know it's true, our love is here to stay  
This won't go away  
I know it's true, our love is here to stay

Uuuu-hu, uuuu-hu, uuuu-hu, oh ,oh  
Uuuu-hu, uuuu-hu, uuuu-hu, oh ,oh.
