"In The City"

Visit "[In The City](#)" on MotoLyrics.com

We're in the city
She came around at the right time
And if you'll need me
Hope this was made for a good time
Where did you see me
How do you run for a long time?
There if you need me
Hope this was made for a good time
It's like the ones who only know
It seems like the ones who always go
I don't want to go
I don't want to go
We're in the city
She came around at the right time
And if you'll need me
Hope this was made for a good time
It's like the run to all we know
Seems like we want to always go
I don't want to leave home
I don't want to leave home
I don't want to leave home
