Face to face with the man in the mirror  
Stem blur but yet I'm making it clearer  
And the fame getting nearer  
I'm looking like a lucrative figure  
they know my name I'm just making it bigger  
cuz I stay gettin sicker  
yeah I stay getting pictures  
of your girl, she wanna swirl cuz I'm painting a picture  
they put my songs in they playlist nigga  
recite my words like ancient scriptures  
more determined than that lame ass nigga word  
see back then I figured that this would happen  
now everybody say that they rapping  
but when its time to grind they napping what  
fuck outta here with the fairy tales  
this the game of life, play it very well  
I'm on a major scale  
I built a boat, made it sail  
so don't hate Cels, hate yoself  
nigga I'm living swell  
that's why I will not not stop  
I will not stop

(Chorus)

Unsure then get you a plan b  
Want more then get you a plan b  
It aint a guarantee of where you wanna be instead of  
asking me just get you a plan b

I aint talking bout birth control or skateboarding

But if you don't have it, you'll pay for it  
The name for it  
Weighs more than  
The flaunting porches  
Yeah I dream big so I put faith on it  
Get it?  
Yeah I'm with it  
You quit it but I hit it  
They passed me the torch so I lit it  
And now I'm putting on for my city  
Chitown can feel it

Nigga who is you kidding?  
Your background is shitty  
I just take a deep breath, exhale on them  
These people know I'm the next best to sale on them  
Nowadays its kinda hard tryna feel humble  
When you surrounded by mean mugs and lil mumbles  
Wow  
I try to block it out  
I just think about how can I get out  
Plan b (plan b)  
That's why I will not not stop  
I will not stop

(Chorus)  
Unsure then get you a plan b  
Want more then get you a plan b  
It aint a guarantee of where you wanna be instead of  
asking me just get you a plan b
