You wouldn't give me a reason
But I didn't really need it
Cause you told me with that look on your face

Maybe I'm just nieve,
But I always believed
There was no one who could take my place

You're probably out there traveling with him
Singin your favorite song
Like nothing was ever wrong
Well I'm barely hangin on
Your holding on to someone new
And I'm trying to get through
Tryin to get through
The day after you
The day after you

Does he tell you he loves you
Is it real when he's makin love to you,
Do you think about me when he's kissin on your skin
I hate that he's with you and I hate that I miss you
Cause you're happier than you've ever been
Ohhhhhhhh,
And here I am just trying to pretend,

I'm Singin your favorite song
Like nothing was ever wrong
Well I'm barely hangin on
Your holding on to someone new
And I'm trying to get through
Tryin to get through
The day after yooooooooou
The day after yooooooooou

Yeah I know that you're in love with him
Singin your favorite song
Like nothing was ever wrong
Well I'm barely hangin on
Your holding on to someone new
And I'm trying to get through
Tryin to get through

The day after yoooooooo
The day after yoooooooo
The day after yoooooooo
The day after yoooooooo
