I'm gonna miss  
Your sunkissed skin  
Those hazel eyes  
The taste of your lips

All summer long  
You and I  
Spent every lazy  
Prairie night

Sittin' on the hood of my car  
Under an endless blanket of stars  
Radio on, playin' our songs,  
Shot straight to the heart

Holding on tight as I can  
Wishin' that summer wasn't gonna end  
So I could stay here locked in your arms  
Sittin' on the hood of my car

I brush your hair  
From your cheek  
It says so much  
When you don't speak

But don't be sad  
Girl anytime  
You need me there  
Just close your eyes

And we'll be

Sittin' on the hood of my car  
Under an endless blanket of stars  
Radio on, playin' our songs,  
Shot straight to the heart

Holding on tight as I can  
Wishin' that summer wasn't gonna end  
So I could stay here locked in your arms  
Sittin' on the hood of my car

Wishin' we could stop the sun from coming up  
So we don't have to say goodbye  
We could have a little more time

Sittin' on the hood of my car

Radio on, playing our songs  
Shot straight to the heart

Holding on tight as I can,  
Wishing that summer wasn't gonna end

So I could stay here locked in your arms  
Sittin' on the hood of my car

My car

On the hood of my car
