If I was a superhero,
Baby I would save you from the world outside, the
world outside your door.
And I could fly faster than the speed of light to you
And I could be there when you needed me to hold you
through the night

Chorus:

But I'm just a man in love with a girl
No suit of armour, just lay your head down on this heart
of mine.
I'm just a man that wants to give you the world,
So I'm gonna love you the best that I can.

I would step, inside your mind to see what's behind
those eyes,
Take a look at what you're dreaming of, you're
dreaming of, tonight.
And I can see the future girl, it's you and me, that's
right.
And all the things you've always wished upon, you've
wished for all your life.

Chorus:

But I'm just a man in love with a girl
No suit of armour, just lay your head down on this heart
of mine.
I'm just a man that wants to give you the world,
So I'm gonna love you the best that I can.

But I'm just a man in love with you girl
No suit of armour, just lay your head down on this heart
of mine.
I'm just a man that wants to give you the world,
So I'm gonna love you, the best that I can.
The best that I can.
I'm gonna love you, I'm gonna love you yes I am.
I'm gonna love you, I'm gonna love you the best I can.
I'm just a man, I'm just the man for you.
I'm just the man for you.
