Chosen for the task
Even though of who I am
Bought By Blood x2
God Almighty clear my vision
Lead me safely on my mission
Lead me on the road to glory
To tell the world the greatest story
Chosen for the plan
Given power for the job
Bought By Blood x2

God Almighty clear my vision
Lead me safely on my mission
Lead me on the road to glory
To tell the world the greatest story

God Almighty clear my vision
Lead me safely on my mission
Lead me on the road to glory
To tell the world the greatest story
