You came from nowhere and took me by surprise when  
I was blind  
You came out of the shadow and dug your way inside  
my mind  
The empty void inside me was filled with something as  
thick as tar  
The deep cuts in my soul won't heal without me getting  
scarred  
I want it  
I need it  
I feel it  
I bleed  
I am drained (drained)  
New blood in my veins  
I am drained (drained)  
New blood in my veins  
The things I've said and done will not be soon forgotten  
You cannot bring me down you cannot save your own  
rotten soul  
I want it  
I need it  
I feel it  
I bleed  
I am drained (drained)  
New blood in my veins  
I am drained (drained)  
New blood in my veins  
So many times I've reached out for you I've always  
found myself alone  
I'm blind no more I see the light where you have gone  
I want it  
I need it  
I feel it  
I bleed  
I am drained (drained)  
New blood in my veins  
I am drained (drained)  
New blood in my veins  
Drain me  
Drain me  
Fill me with new blood  
Drain me

Drain me  
Fill me with new blood
