Visit "[Like A Rattlesnake](#)" on MotoLyrics.com

You find yourself in a snakepit much deeper than your soul

You can't be proud of what you are

I see myself, looking down, laughing in your face

Your death is not my scar

Do you see your own reflection, emptiness inside

Two yellow snake eyes staring back

You abused me and mocked me my vengeance will soon come

I won't get off my track

I cannot wait to pay my dues

I'll be set free I will not lose

(Like a rattlesnake) I speak with a splinter

(Like a rattlesnake) Whispering deceiving lies in your ears

(Like a rattlesnake) I bite with teeth with full of venom

(Like a rattlesnake) I crawl on my belly

Don't you try to dig your way out, your deep inside your mind

Your trapped inside your own cage

I spill my guts for you alone but you just turn your back

My body aches full of rage

Your betrayal, my salvation, you can't strike me down

I'll strangle you like my prey

I'm the serpent, your the rat, your tied beneath my grip

Prepare to face the price to pay

I cannot wait to pay my dues

I'll be set free I will not lose

(Like a rattlesnake) I speak with a splinter

(Like a rattlesnake) Whispering deceiving lies in your ears

(Like a rattlesnake) I bite with teeth with full of venom

(Like a rattlesnake) I crawl on my belly

I find myself in a snakepit much deeper than my soul

I am not proud of what I am

You see yourself, looking down, laughing in my face
My death is for today

(Like a rattlesnake) I speak with a splinter
(Like a rattlesnake) Whispering deceiving lies in your
ears
(Like a rattlesnake) I bite with teeth with full of venom
(Like a rattlesnake) I crawl on my belly (x2)
