Stand up, stand tall  
Stand firm on your ground  
Be strong, be proud  
Shout out make a sound

You see who I am  
You take what you want  
You give what I need everyday  
You died for me so I could live  
Everyday I have you to thank

My Savior, my Lord

Let you fire  
Burn inside of me  
Make me stronger  
Save me set me free

You see who I am  
You take what you want  
You give what I need everyday  
You died for me so I could live  
Everyday I have you to thank

My Savior, my Lord

You payed for my life with your blood  
You suffered in my place  
You catch me when I fall  
You're with 'til the end of days  
Jesus Christ

You died for me so I could live  
Everyday I have you to thank

My Savior, my Lord  
My Savior, my Lord  
My Savior, my Lord  
My Savior, my Lord
