It's you against us, everyone on me  
All on their own side, but my side's the right side  
Scattered people with broken minds  
Same perception but different approach

Protected by mad men, kill 'em all but me  
No one left to fight my unlimited power  
Braindead zombies sleepwalk the earth  
Dreaming away from a constant nightmare

No resistance no deciet  
No encounter no defeat

You can't see nothing with shattered minds  
You can't hear nothing with shattered minds  
You can't feel nothing with shattered minds  
You can't do nothing with shattered minds  
Shattered Minds  
Shattered Minds  
Shattered Minds  
Shattered

The blood on your shirt wiped from your knife  
Your mind is devoured, but my hands are still clean  
Do you see your own sin your own cause  
While waging war for the greater good

No resistance no deciet  
No encounter no defeat

You can't see nothing with shattered minds  
You can't hear nothing with shattered minds  
You can't feel nothing with shattered minds  
You can't do nothing with shattered minds  
Shattered Minds  
Shattered Minds  
Shattered Minds  
Shattered

You can't see nothing with shattered minds  
You can't hear nothing with shattered minds  
You can't feel nothing with shattered minds

You can't do nothing with shattered minds  
Shattered Minds  
Shattered Minds  
Shattered Minds  
Shattered
