So lately, been wondering
Who will be there to take my place
When i'm gone, you'll need love
To light the shadows on your face
If a great wave shall fall
It would fall upon us all
And between the sand and stone
Could you make it on your own?

Chorus:

If i could, then i would
I'll go wherever you will go
Way up high or down low
I'll go wherever you will go

And maybe. I'll find out
A way to make it back some day
To watch you, to guide you
Through the darkest of your days

If a great wave shall fall
It would fall upon us all
Well i hope there's someone out there
Who can bring me back to you

Chorus:

If i could, then i would
I'll go wherever you will go
Way up high or down low
I'll go wherever you will go

Run away with my heart
Run away with my hope
Run away with my love

I know now, just quite how
My life and love might still go on
In your heart, in your mind
I'll stay with you for all of time

If i could, then i would
I'll go wherever you will go

Way up high or down low
I'll go wherever you will go

[Chorus:]

If i could make you mine
I'll go wherever you will go
If i could turn back time
I'll go wherever you will go
I'll go wherever you will go
