(Verse)

Iâ'm tired of the same lies
Iâ'm tired of the city people
Tryin to get to my business,
Just me and you
I know baby, we gotta get on through
And go somewhere

(Chorus)

I got the love, uh
(Strictly reserved)
I got the love, baby
(Strictly reserved)
I got the love,
Strictly reserved for you and me

(Verse)

Letâ's go somewhere,
Where I donâ't care
Letâ's feel mighty fine, and feel the fire
Just you and me baby

(Chorus)

I got the love
(Strictly reserved for you)
I got the love
(Strictly reserved for you)
I got the love,
(Strictly reserved for you)
I got the love,
Just you and me,
Uh baby
I got the love
I got the love
(Strictly reserved for you)
I got the love
(Strictly reserved for you)
I got the love,
(Strictly reserved for you)
So itâ's you and me
(Strictly reserved for you)
I got the love
(Strictly reserved for you)
uh baby

(Strictly reserved for you)
I got the love
(Strictly reserved for you)
I got the love, baby
(Strictly reserved for you)
Strictly reserved for you
Strictly reserved for you
Strictly reserved for you
I got the love
(Strictly reserved for you)
Just you and me, baby
(Strictly reserved for you)
