

Charles Bradley "The World"

Visit "[The World](#)" on MotoLyrics.com

This world is going up in flames
And nobody wants to take the blame
Don't tell me how to live my life
When you never felt the pain
Oh, oh, oh, ooh, come on, baby
Ooh, they don't hear me cry
Ooh, they don't hear me chime
Ooh, they hear me cry so what I'm gonna do?
Yeah, baby
I can't turn my head away, sit on these things
The world is burning up in flames
And nobody wants to take the blame
Is it you? Or you? You? Or you?
Me? Or me?
Ooh, they don't hear me cry
Ooh, they don't hear me chime
Ooh, so stop all that lying
Ooh, oh, you killing me, oh baby, come on, baby
Get it right, gotta lead a better road, gotta make it,
baby
Gotta make it right
