(Chorus)

I thank you

For helping me through the storm

I thank you

For helping me carry on... through the storm

(Verse)

It's been a long time coming

And the world keep turning round... through the storm

When the world give you love

It's turn for love

It fills your soul

(Chorus)

I thank you

For helping me through the storm

I thank you

For helping me carry on... through the storm

(Pre-Chorus)

Day after day

Week after week

Month after month

Turn into a year

(Chorus)

I thank you

For helping me through the storm

I thank you

For helping me carry on... through the storm

(Verse)

I've been through so many changes

But somehow I hold on

I don't know where

Don't know where to go

But I'mma keep holding on, baby

(Pre-Chorus)

Day after day

Week after week

Month after month

Turn into a year

(Bridge)

I thank you

I'm gonna keep on holding on

I, Iâ€™m gonna keep on holding on to my chance
Oh!
(Chorus)
I thank you
For helping me through the storm
I thank you
For helping me carry on... through the storm
I thank you
Oh baby
I, I really thank you
Come on darling
I thank you
I... thank you
For your love... that you given me
The whole time
