What happens again
Youâ€™ve seen it all some many times but the feeling
stays inside
The city lights they burn so bright but itâ€™s still cold
at night
The inspiration, dedication dies away so fast
When the moments never arrive until itâ€™s past

Iâ€™m down again
My pride now turned to shame but is it me to blame
The city burns my soul itâ€™s such deadly aim
This puzzleâ€™s missing the last piece and I think
Iâ€™m losing hope
Youâ€™re never found in a way that I could cope

The same old sky, the shades of grey
A heart with no hope is that the price that I must pay?
Iâ€™m burning my bridges and I ainâ€™t turning back
But thereâ€™s no way to tell if this would be the right
track

The same old sky, the shades of grey
A heart with no hope is that the price that I must pay?
Iâ€™m burning my bridges and Iâ€™m not turning
back
But thereâ€™s no way to tell if this would be the right
track

And so they say itâ€™s true
Itâ€™s just one step to the next you feel the same way
too
Well somewhere deep inside Iâ€™m hoping that you
do
Iâ€™m hearing voices in my head and I think Iâ€™ve
lost my mind
Yeah and I never see just what Iâ€™m trying to find

The same old sky, the shades of grey
A heart with no hope is that the price that I must pay?
Iâ€™m burning the bridges and I ainâ€™t turning back
But thereâ€™s no way to tell if this would be the right
track

The same old sky, the shades of grey
A heart with no hope is that the price that I must pay?
I'm burning the bridges and I'm not turning
back
But there's no way to tell if this would be the right
track
