eeeha  
yes, not one a them  
holdtight shaolin sound  
selecta loorius da riddim maker  
biggest thanks and respect for the riddim

it was a journey, now what was one differentiates ya  
it was a journey, now what was one differentiates yaha  
it was a journey, now what was one differentiates ya  
it was a journey, now what was one differentiates yaha

black and whites we all the same  
some doubt  
red and yellow the same  
and some doubt  
you full or half-cast the same  
some doubt  
all these color difference occurred due to adapt ability  
africans, asians the same  
some doubt  
europeans, americans the same  
and some doubt  
australians we all the same  
me wonder why some fear say them loose them purity  
heeeha

it was a journey, now what was one differentiates ya  
it was a journey, now what was one differentiates yaha  
it was a journey, now what was one differentiates ya  
it was a journey, now what was one differentiates yaha

black and whites we all human  
some say somehow  
red and yellow we all human  
some say somehow  
full or half-cast we all human  
some say somehow

but man say human race which means we all one race  
africans, asians human  
some say somehow  
europeans them human

some say somehow  
americans them human  
some say somehow  
you from the north south east west we all one race

it was a journey, now what was one differentiates ya  
it was a journey, now what was one differentiates yaha  
it was a journey, now what was one differentiates ya  
it was a journey, now what was one differentiates yaha

from africa to asia  
them wonder how  
from asia to america  
them wonder how  
from america to europe  
them wonder how  
mankind you had a long way, but we are all the same  
from the toes to the head tips  
we all the same  
forget about the colors  
its just an adaptation  
your hairs coil or them smooth  
we all the same  
Jah almighty Father greatest One made us all the same  
he made us all the same  
all the same  
he made us all the same heeeha

it was a journey, now what was one differentiates ya  
it was a journey, now what was one differentiates yaha  
it was a journey, now what was one differentiates ya  
it was a journey, now what was one differentiates yaha
