eeeha heeeeha eeeha hei

yeeeha
eeeh yaga yohoooho..

when them say nothing a gwaan in the righteous scene
you have fi protest and claim it a burn real hard
cos we blaze it real hard yeeeha not one a them
me say, when them say nothing a gwaan in the
righteous scene
you have fi protest and claim it a burn real hard
cos we blaze it real hard yeeeha

not one a them eeeeha say
we've done this and we still doing this and still we do
this
in all different places them gather up
them light it up I see them eeeeha
higher meditation
you see them burn spliff and me sit and roll another
spliff join this
and me scent it all over the places
this reggae vibration so me say yoo

so when them say nothing a gwaan in the righteous
scene
you have fi protest and claim it a burn real hard
cos we blaze it real hard yeeeha not one a them
me say, when them say nothing a gwaan in the
righteous scene
you have fi protest and claim it a burn real hard
cos we blaze it real hard

Yeeeha yeeeha yeeeha
me say them a (2x)blaze inna africa
them a (4x) blaze it in america
them a (3x) blaze in europe
eeeha them a blaze it up in asia
natty dread it seems you play your role
the way you leave it shows you know
and we know its time to let them know
all living is from Jehovah the higher mind

you take control
and all that them think them know
them patisanism and them role
them betraying the higher man
so when them say nothing a gwaan in the righteous
scene

you have fi protest and claim we a burn it real hot
and it real hot yeeeeha

not one a them heee
when them say nothing a gwaan in the righteous scene
you have fi protest and claim it a burn real hard
cos we blaze it real hard not one a them me sing again
me say, when them say nothing a gwaan in the
righteous scene
you have fi protest and claim it a burn real hard
cos we blaze it real hard yeeeha

turn around and turn me back fi them
them a take the truth convert fi them
no time fi them
them a turn institutions see them
gather from the poor when them should be there fi
them
eeeha, them betraying the higher mind
so me set it clear fi them
them claim them hard, cos another fight fi them
you misusing the higher mind
so me pity fi them cos this judgment fi them
another revolution fi them
this other revolution fi them.. yeeeeha yeeha

so when them say nothing a gwaan in the righteous
scene
you have fi protest and claim it a burn real hard
cos we blaze it real hard yeeeeha nnwooo
when them say nothing a gwaan in the righteous scene
you have fi protest and claim it a burn real hard
cos we blaze it real hard
