Fire be upon thee Apep  
Ra Maketh thee to Burn  
Thou who art Hateful Unto him  
Ra Pierceth thy head  
He cutteth through thy Face  
Ra Melteth Thine Countenance  
Lo Your Skull is crushed in his Hand  
Thy Bones are smashed in pieces

Burn thou fiend  
Before the fire of the Eye of Ra  
The Hidden One hath overthrown thy Words  
The Gods have turned thy face backwards  
Thy Skull is Ripped from Thy Spine

Thy Lynx hath torn open thy Breast  
The Scorpion hath cast Fetters open thee  
Maat Hath Sent forth thy Destruction  
Thou Shalt Burn

The God Aker hath condemned thee to the Flames

Fire be upon thee Apep  
Thou enemy of Ra  
Let Flames Gnaw into thee  
And Sear Thy Flesh  
Fall Down Apep  
I hath Set Torch Upon thee  
Taste thou Death Apep  
The Burning is upon you  
Thou art consumed  
I hath Lain Fire upon thee  
I hath Smeared thy Remains with Excrement  
I hath Spat on thine Ashes  
Taste Thou Death
