Withdraw Thy Phallus Baboui  
Open the Gates of the Duat  
For I am Burning in Aataakhu  
Chains Bind Me  
Flames Encircle Me  
And Burn My Flesh  
Open  
For Me the Gates Shall Open  
Over the Fire of the Spirit  
The Breath Drawn by the Gods  
Arise Apophis Return  
That I Might Return  
Borne by the Flame  
Drawn by the Gods Who Clear the Way

That I Might Pass  
The Gods Which Sprang from the Drops of Blood  
Which Dripped From  
The Phallus of Set  
That I might be Reborn  
For I am Khetti Satha Shemsu  
Seneh Nekai  
And Will Become Set of a Million Years  
Akhui Amenti Hekau  
I Shed My Burnt Skin  
And am Renewed
