are you for real
this your ditch
no it's not you
it's me
that was cold
you're such a bitch
didn't know
you could be so mean
refuse
one last itch
I laugh
and you get crazy
what came next
was so rich
why did you smash my CD's

you take
what we made
and called it your own
concern was so fake
baby where did it go
what's not the same
guess I'll never know
maybe nothing has changed
never loved me at all

what I didn't say
least out loud
think I'm completely clueless
I know you did
but it didn't count
because you're such a princess

peel for me
cloud my doubt
your soulless body's flawless
make me watch
take me out
get drunk and make me jealous

she knows
play shy

won't pay
full price

you pretend
to be so nice
fake smile
are you really so shallow
all you ever want
but you never like
no you don't take
you just borrow
away you went
no bye bye
didn't even try to follow
I know the what
what's the why
didn't see this coming although
miss the slam
was so nice
must have been hard to swallow
this your scam
or your vice
don't know how you sleep at all
