been distracted
by last night all day
all the words that I wanted
I couldn't say
and I wait
yes I wait

mistakes disguised as choices
should have listened to my
inner voice it said
please wait
please wait

I didn't want to be left alone
before you go away
there's one thing
I want you to know

I'm so glad you came
I've been waiting here
I've been climbing
the walls for days
and I'm not ok
I'm lost
I'm scared
I can't hide from my mistake

my mistake

Been distracted
by last night all day
all the words that I wanted
I couldn't say
all this weight
all this weight
