so shy
came over to me and asked if I
wouldn't mind
afraid she'd waste my time
all right
almost became
the hero twice
what a waste
one taste
made my lonely life become

so bright
girl
I can see the sunset in your eyes
it warms me
it burns me
it almost leaves me blind

so shy
before you came
the change that I
didn't see
I need
I wouldn't have changed your mind
all right
I couldn't believe the worst was I

didn't see
I need
all I could feel was light

outta me
outta time
I agree
outta line
don't wanna see
don't wanna do
then when I met you
I was getting old before my time
when you came
you know that I
remember thinking never seen it ever looking

so bright
girl I can see the sunset in your eyes
it warms me
it burns me
it almost leaves me blind
I don't mind
I wish my life
was like this all the time
I swear
it was right there
not meant for me to find
